" YOU WILL BE MISSED"

#### Dear Fellow Classmates:

It has been my pleasure to serve you for the past year as the President of the Student Government Association. Johnson C. Smith University is a special school with a special student body. Over my past four years, I have worked with the leaders of tommorrow. These leaders have been found in this student body. I have observed and felt many emotions while attending Johnson C. Smith University. Together we have marched in commemoration of Martin Luther King Jr., we have lit candles and prayed for our fellow Smithites in the Persian Gulf, we survived campus tragedies, and we will continue to survive and lead as we move beyond the hollowed halls of JCSU.

As I graduate, I urge you the Student Body to continue to respect your heritage, and appreciate the gifts given by this illustrious university. Continue to fight for what is right and struggle for the true Brilliance of Excellence.

To my Executive Board, I thank you for your time and support. To my friends, I thank you for bearing the burdens and to the faculty/staff and administration, continue to provide Smithites with the necessary resources that will make them competitive in the greater society.

With Sincere Love,

Celena J. Shade

S. G. A. President 92-93.

**DEAR FELLOW SMITHITES:** 

THE PAST THREE YEARS AT JOHNSON C. SMITH UNIVERSITY HAVE BEEN AN EXPERIENCE THAT I WILL CHERISH FOR THE REST OF MY LIFE. # **CAMPUS LIFE**

### Greek Organizations

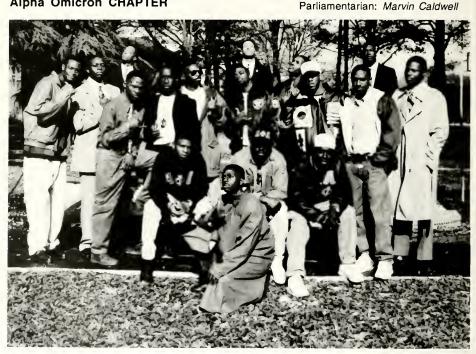

### Pan Hellenic Life

From generation to generation the Greeks of Johnson C. Smith University have maintained an aire of unity that has endured for years. Greek life was amde up of multi-dimensional organizations whose interests were far more than social. They engaged in campus and community involvement. Scholarship and community service were promoted by these organizations. It was a bond of loyalty, joy, and sorrow that united brother to brother and sister to sister. These shared feelings formed lasting friendships. At JCSU the Greek tradition is on of uniqueness and integrity. It is through growth and maintenance that makes JCSU Greek life powerful.

#### KAPPA ALPHA PSI

KAPPA ALPHA PSI, A college fraternity, now comprised of undergraduate and alumni chapters on major campuses and cites throughout the country, is the crystallization of a dream. It is the beautiful realization of a vision shared commonly by the late founder Rev. Watson Diggs, John M. Lee, Byron K. Armstrong, Guy L. Grant, Ezra D. Alexander, Henry T. Asher, George W. Edmunds, Marcus P. Blakemore, Paul W. Caine, Edward G. Irvin.

It was the vision of these astute men which enabled them on January 5, 191, on the campus of Indiana University at Bloomington, Indiana, to sow the seed of a fraternal tree whose fruit is available to, and now enjoyed by, college men everywhere, regardless of their color, religion or national origin.

#### ON THE ROAD TO PERFECTION ....

Eyes have not seen, Ears have not heard, the spectacle of perfection that will result from the bands hard work and dedication. The journey on the road to perfection begins with the previous semester, and continues through the summer. Band camp, four hour practices, and laps around the school are a common endeavor for these dedicated group of students. Under the direction of Mr. Duncan Gray perfection is definitely achieved. "Even though we practiced for long, hard hours at a time; on Saturday after a performace it all seemed worth it" -Melvin Porter
